

## Urban Growth Plan and Boundaries / 2020 Plan

### Why does Hamilton County have a growth plan?

The State of Tennessee passed a law in 1998 requiring all Tennessee counties to develop a 20-year growth boundary plan.

### Where can I get a map of the Growth Plan boundaries?

- The Urban Growth Plan boundaries may be viewed online at [www.hamiltontn.gov](http://www.hamiltontn.gov)
- A copy of the map is available online at [www.chcrpa.org](http://www.chcrpa.org)
- A copy of the map may be purchased from Hamilton County GIS

### Who can tell me how a specific subdivision or parcel is designated (i.e. Chattanooga Urban Growth area, Collegedale Urban Growth area...)?

The boundaries are available online and can be viewed in detail at [www.hamiltontn.gov](http://www.hamiltontn.gov) with the GIS Map Maker.

Hamilton County GIS, 1<sup>st</sup> Floor Development Resource Center, 1250 Market St., (423) 209-7767 will also be able to provide that information.

### How does the Growth Plan affect annexation?

The plan identifies boundaries where Hamilton County cities and towns can grow through annexation. The boundaries give residents and property owners a greater certainty about where municipalities are likely to annex.

### How can I find out if and when a city or town plans to annex?
